Healthful Clay City.
While neighboring towns are
reveling in typhoid and other
dangerous fevers, Clay City people
remain in their usual healthful
mode. Whatever may be
said about the low and level sur-
face of Clay City it shows up a
very low death rate, not one-half
that of our neighbors, or at least
this now seems to be the case.
The people of this town should
be very thankful to their creator
for these blessings. Persons on
the lookout for a healthful town
to locate in, can not beat Clay
City, and if they are good citizens
we offer for them a sober
quiet town in addition, and ex-
tend them a most hearty wel-
come.

Change in Time Table.

The Lexington & Eastern has
made quite an important change
in their time table and the same
is now in effect. The west bound
morning train now arrives at
Clay City twelve minutes earlier;
the morning east bound train
sixteen minutes earlier. The
afternoon trains arrive at the
same time as heretofore. The
change has been made so as to
make better connections at Beat-
tyville Jct. and L. & E. Jct.

A Feature of Much Interest.

In the State Development Con-
vention which meets at Wicher-
ter, October 10th, 11th and 12th,
a feature of much interest on
the program is that of the Roll
Call of Counties. Seventy-two
counties responded in the roll
call at Louisville, and the Com-
mittee expect to have more re-
sponses this year. Each county
judge in the State has been ask-
ed to select a man in his county
to prepare a statement, to be used
on the roll call of counties, set-
ting forth county statistics in
answer to the following ques-
tions:

1. In what does your county ex-
cell?
2. What does your county
need most?
3. What is its labor
supply, and what wages does
such labor command?
4. What
factories and other industries
have you?

Give the capital em-
ployed, extent of business, num-
ber of employees, and amount
paid in wages.

The information thus furnis-
hed to the Convention will be

compiled and given wide public-
ity throughout the United States

to attract to Kentucky capital

seeking investment.

This matter is one that should
not be overlooked in Powell
county. It is an excellent means
of advertising our resources, and
desirability as a location of such
industries as we need, and of
bringing before the public what
we have and what we want men
throughout the country who are
seeking investment read the liter-
ature of such bodies as the
State Development Convention,
and a good strong statement from
our county will be of much value
to us. We want other people to
know us and to know what we
have.

Editor White to Marry.

The marriage announcement
of Mr. J. R. White, the urbane
editor of the Estill Herald, to
Miss Burnace Taylor, of Rich-
mond, has been made, the wed-
ding to occur Saturday, Sept. 15.

The TIMES extends congratula-
tions to Bro. White, and wish
for him a long and prosperous
married life, and in this way we
trust the lacking satisfaction of

publishing a country newspaper
may be made up to him in the
future.

Defendants Win Contest.

Last fall all kinds of fraud are
alleged to have been perpetrated
in the Estill county election for
county officers and the Republi-
cans won. This caused a contest
for the office of Sheriff and As-
sessor. The case was passed up-
on last week at Irvine, the de-
fendants winning. The case will
probably be appealed.

SPOUT SPRING.

H. F. Christopher bought a splendid mare at Irvine court Monday for \$150.00.

Mr. and Mrs. Thos. McKinney are visiting the family of G. P. Douglas, of Levee.

James A. Fox, of Winchester, who owns a nice boundary of timber near here is having it worked, giving employment to a number of men.

The little three-year-old son of Mr. and Mrs. Albert Crow, formerly of this place, has been very low with fever, but is now improving nicely.

J. W. McKinney, of Ruckerville, was here Tuesday and yesterday buying hogs. He bought a nice bunch from Tuck Bush on Hardwick's creek.

L. V. McKinney and family, of Hudson, Ill., are visiting relatives in Estill, Clark and Montgomery counties. Mr. McKinney twenty-five years ago when a mere lad left here with his father, J. D. McKinney, and located where he now resides. He says the country here has changed much to him in the time he has been away.

The administrators sale of J. F. McKinney, deceased, Thursday was largely attended, and the bidding was very liberal. Cows brought from \$20.00 to \$40.00, and other cattle sold well. A bunch of nice ewes brought \$5.20 per head. Stock hogs sold for \$6.15 per hundred. Household articles and farming implements sold well.

New Train.

The L. & E. will put on an additional train during the Bluegrass Fair week, commencing Sept. 17. Return limit to Sept. 24. This will greatly accommodate those who expect to attend the fair giving them an opportunity to attend the fair returning the same day. From what we can learn there will be a number attend from this county.

Same Effect in Clay City.

Since the saloons in Irvine have been closed for two months in consequence of the local option election, the law has been observed in a most commendable manner by our citizens generally. No attempts have been made so far as we know to set up blind tigers or engage in jug traffic in liquor. And the beneficial effect is easily observed. The scenes usually attendant on bar rooms of idlers and tipplers congregating and drinking and frequently disturbing the public peace are removed and a disposition is shown on every hand to lay aside such habits as may have been contracted in the bar room and engage in useful callings. The prediction that the business of the town would be injured by having no saloons has not been verified; on the contrary health and useful business have improved, and every citizen can now visit our town or reside therein and after attending to the affairs of his daily calling and return to his family without the inducement to waste his money in buying intoxicants certain to injure him physically, mentally and morally. We think great good resulted by the suppression of liquor selling both financially and morally to our community.—Estill Herald.

New Watchmaker.

J. P. Mauppin, Watch and Clock repairing of all kinds on reasonable terms. Now located in the Adams' Hotel building for work in his line. Prompt attention to all work and satisfaction guaranteed.

Some Solid Facts.

These are the days when the discontented farmer's fancy lightly turns to thoughts of moving. The great railway systems of the West, flood the mails with manuals setting forth the beauties and virtues of this and that region, each claiming to be par excellence the home-seeker's paradise. Agriculture has in this aspect taken the place of mining. In former times the "new country" that offered the most attractions to settlers from a distance, was that in which gold was taken out of the ground in big yellow nuggets or infinitesimal dust; in these days the search is still for a quick fortune, but the medium exploited is the growing crop, which can be turned into gold—or greenbacks—by the slower processes of planting, cultivating and harvesting; and the pioneer now has for his emblems the gangplow and the reaping machine, instead of the pick and pans. Now, the advertising circulars teem with prints in which the settler's comfortable homestead and happy family are shown, projected against fields of heavy-headed grain, trees groaning under apples and peaches proportionately as large as watermelons and the cattle of a thousand hills grouped in a pen by the side of the railroad, awaiting rapid shipment to market where buyers stand in line, longing for the chance to draw fat checks in payment. While these pictures attract the eye, few, if any, have ever bettered their condition by leaving our own fair county, and the few who have left would only be too glad to be back.—Winchester Democrat.

State politics are warming up considerably with the machine candidates decidedly getting the worst end of it. In Powell the machine crowd is considerably in the rear. The people seem to be tired of grafters in whatever party they may be.

AN ALL HOME-MADE PAPER.

THURSDAY, SEPT. 13, 1906.

LOCAL BREVITIES.

Press Johnson, of Knowlton, was here Thursday.

J. W. McKinney was in the city Tuesday on business.

Patrick Henry is attending State College at Lexington.

Miss Mary Graham Eaton left this week for Georgetown College.

Dr. Littlepage was in Jackson the last of the week on a business mission.

Mrs. T. J. Fletcher has returned from several days visit to relatives in Bath county.

Mrs. J. B. Eaton is in Cincinnati this week buying goods for their store in this city.

Ed Warmouth and family left here Monday morning for Terre Haute, Ind., where they will reside in the future.

Mrs. Pattie Ware, teacher in the primary room of the city school, arrived and assumed her duties in the school Monday morning.

The Clay City National Bank has another one of their fine statements in this issue which is a satisfaction to both stockholders and depositors.

S. M. Mapel, of this city, bought at Irvine Monday at Commissioner's sale the Cottage Furnace tract of land containing 3,500 acres for \$4,190.00.

Hon. F. A. Hopkins, Democratic candidate for Congress in this district, will speak in this city tonight. Let every body come out and hear him.

Mr. and Mrs. James A. Fox, of Winchester, are in the city. Mr. Fox has opened up a tie timber job on a piece of land three miles from here which he bought last Spring.

Miss Floretta South, of Frankfort, was the guest of friends here a few days last week. She left for Hazel Green to assume her duties as teacher of music in the academy there.

Willie Lyle, the sixteen-year-old son of John W. Lyle, died at Irvine last week of fever. Mr. Lyle formerly lived in this country where he has many relatives and friends who sympathize with him in his sad loss.

Barnum & Bailey's big circus will exhibit at Mt. Sterling Sept. 21 and at Lexington Sept. 22. This is one of the best shows on the road and the exhibition at Mt. Sterling will be witnessed by many people from Powell.

Bought Farm.

A Mr. Ledford from up the Kentucky river has purchased the John Vaughn farm on Hardwick's creek from J. H. Stidham for \$4,000. Mr. Stidham bought this farm from Oscar Mackey of this city early last spring for \$3,500.00.

TO CURE A COLD IN ONE DAY

Sold Farm.

Joe Tipton, of this city, has sold his farm, known as the Jim Walters place two miles south of Clay City, to a Mr. Bowman, of Owsley county, for \$27.50 per acre. Possession Nov. 1st, when Mr. Bowman will move to his farm.

"WAINSCOTT'S POP" is a healthy TONIC.

Died in Missouri.

M. L. Hall, a former citizen of this county, whose illness was noted in our last issue is dead at his home at Independence, Mo. Mr. Hall has two brothers living in this county, and many friends who regret to learn of his death. He leaves a considerable estate.

Well Worth Trying.

W. H. Brown, the popular pension attorney, of Pittsfield, Vt., says: "Next to pension, the best thing to get is Dr. King's New Life Pills." He writes: "they keep my family in splendid health." Quick cure for Headache, Constipation and Biliousness. 25c. Guaranteed at Swann-Day Lumber Co's. store.

Wants Bridge Across Kentucky.

The Estill Herald is agitating the erection of a highwaw bridge across Kentucky river at Irvine. Slack water from Lock No. 12 will make fording the river at that point impossible, and a great saving in ferriage can be had by the county building the bridge which it should do by all means.

To Cure a Felon

says Sam. Kendall, of Phillipsburg, Kan., "just cover it over with Bucklen's Arnica Salve and the Salve will do the rest." Quickest cure for Burns, Boils, Sores, Scalds, Wounds, Piles, Eczema, Salt Rheum, Chapped Hands, Sore Feet and Sore Eyes. Only 25c at Swann-Day Lumber Co's. store. Guaranteed.

For Government Ownership.

Since Bryan has returned from Europe where many of the various governments own and operate the railroads he has declared in favor of the government ownership of railroads in the United States. Hurrah for Bryan, this is another step in the right direction. Under government ownership the fare will be the same to every one; the shipping charges the same to all. In countries where the government owns the roads you can travel for one cent a mile, here it is three, and when the Railroad Commission fixes fair rates for freight, the railroads complain and take action to annul the law, claiming they can't operate on such rates only at a loss. If they can't why not let the government have them, and give the masses the benefit.

Starving of Death.

Because her stomach was so weakened by useless drugging that she could not eat, Mrs. Mary H. Walters, of St. Clair St., Columbus, O., was literally starving to death. She writes: "My stomach was so weak from useless drugs that I could not eat, and my nerves so wrecked that I could not sleep; and not before I was given up to die was I induced to try Electric Bitters; with the wonderful result that improvement began at once, and a complete cure followed." Best health Tonic on earth. 50c. Guaranteed by Swann-Day Lumber Co.

Millinery.

Mrs. W. G. Patrick, Kimbrell, has a nice line of ladies' and children's trimmed hats and infants caps.

Misses Alma and Mildred Smith while on their way from camp meeting the last Sunday of the meeting, their horse ran down a hill. They both tried to stop the horse and pulled to one side of the road to keep from running in a buggy. They ran into a paling fence, tore their buggy up, threw them out, and cut Miss Alma's face up right badly. She had Dr. Spratt right at once who took 11 stitches on her face. Mildred was bruised up right badly but they both are improving nicely.

Big Bluegrass Fair.

The gates of the Big Bluegrass Fair will be thrown open at Lexington next Monday, September 17, and for six days and six nights the people of Lexington and Central Kentucky will be given the opportunity to attend what promises to be the biggest and the best fair ever held in the South. Although the Bluegrass Fair Association was not organized until in July, the management has been in the hands of such competent men that as great an exhibition is assured as could ordinarily be gotten together after six months of hard work. Over \$25,000 will be given away in premiums for the various classifications to be shown at the Fair. This is the largest amount ever offered by any fair association in Kentucky. It has been so divided as to cover fully the various diverse interests with which the people of Central Kentucky are most particularly concerned. Handsome offerings are made for all classes of live stock and for all agricultural and horticultural products. In addition the largest amount ever offered by a fair association in the South for poultry will be given and the premiums for women's work, table

delicacies and other features of Floral Hall are unsurpassed in the annals of Kentucky fair history.

One of the great features of the fair will be the display of thoroughbred horses which will take place on Saturday, September 22. Over \$5,000 is offered for this class of horses alone. Premiums from the owners of the large stock farms throughout Central Kentucky insure the largest and most valuable display of thoroughbred horses ever held in the world. It is well within the bounds of expectation to predict that more than two million dollars worth of thoroughbred horses will be exhibited that day. The cattle show will be the best ever seen at a Kentucky fair. The large amounts offered by the Bluegrass Fair Association have been liberally supplemented by offering from the Shorthorn and Hereford Breeders Associations. Dairy cattle have in no sense been neglected and there are especially liberal provisions for Jerseys.

Am prepared to do custom grinding every day during the week. Meal guaranteed to be first class. Bring your turn and give me a trial.
